

Sklar Runs Production Pipe At Baldwin County Wildcat

Sklar Exploration Co., LLC, Shreveport, La., has run production casing and is waiting on completion rig at a Paluxy wildcat one and one-quarter miles southwest of Latham in southwestern Alabama's Baldwin County.

The No. 1 Nelson et al 35 in irregular Section 35-2N-2E, was drilled to 9200 feet. Unreported shows were encountered and string of 5 1/2-inch casing was run to total depth for evaluation.
