

# **Smackover Wildcat Scheduled By Sklar Near Little Cedar Ck.**

Sklar Exploration Co., LLC, Shreveport, Las., has scheduled a Smackover wildcat in the Little Cedar Creek Field area of Conecuh County in southern Alabama.

Moving about one and one-quarter miles east-northeast of the nearest completed well, location was staked for No. 1 Craft-Ralls 33-14, SE SW Section 33-5N-13E. Location is on a 160-acre unit which includes the southwest quarter of Section 33.

Contractor for the 11,600-foot wildcat is not available.

Drill-site is one and five-eighths miles west of Melrose.

About 3000 feet south-southwest of the new location, Sklar has run production casing and is waiting on tests at the No. 1 Craft-Ralls 4-5, SW NW Section 4-4N-13E. Hole was drilled to 14,140 feet. String of 5 1/2-inch casing was run to total depth to evaluate shows logged in Smackover.

Nearest completed well is Sklar's 1 Craft-Cedar Creek Land & Timber, Inc. 5-5, SW NW Section 5-4N-13E.

Productive from perforations 10,960-970 feet in Smackover, the well pumped 95 barrels 40-gravity oil per day.
