

Sklar Waiting On Rig To Test Smackover At Conecuh Wildcat

Sklar Exploration Co., LLC, Shreveport, La., is waiting on completion rig to begin testing shows in Smackover at a wildcat in the Melrose area of southern Alabama's Conecuh County.

The No. 1 Craft-Soterra 27-6, SE NW Section 27-5N-13E, was drilled to 10,710 feet. Shows were logged in Smackover and string of 5 1/2-inch casing was run to total depth for evaluation.

Rapad Drilling & Well Service, Inc., Jackson, Miss., handled contract.

The indicated discovery is located one and three-quarter miles north-northwest of Melrose and one and one-half miles southwest of a recent Smackover discovery. Drill-site is also spotted one and three-quarter miles north-northeast of Smackover oil production at Little Cedar Creek Field.

Recent discovery, located one and one-half miles northeast of the current well, was the Midroc Operating Co. No. 23-3 Cedar Creek Land &
