

Confirmation Well Is Begun By Sklar At S. Morton Field

Sklar Exploration Co., LLC, Shreveport, La., has begun operations at the confirmation well for South Morton Field in Smith County, Miss.

The No. 2 South Morton Unit 12, SW NE Section 12-4N-6E, is currently drilling below 6357 feet.

Energy Drilling Co., Natchez, Miss., is handling contract for the 10,100-foot Mooringsport test.

Location is about 1200 feet north and slightly east of the field discovery.

Sklar opened production in the field with completion of No. 1 South Morton Unit 12, Section 12-4N-6E.

Productive from Mooringsport, the discovery flowed 102 barrels 37-gravity oil, 279,000 cubic feet of gas and 251 barrels water per day through a 25/64-inch choke with flowing tubing pressure 150 pounds.

Completion was from Mooringsport perforations 9831-45 feet. Total depth is 15,276 feet and casing was run to 15,220 feet.

Elevation was 403 feet, kelly bushing. Base Chalk was logged at 5904 feet, Lower Tuscaloosa 7225, Mooringsport 9880 and Cotton Valley 12,885 feet.
